SeENS International Neurosurgery Course
"Walking the silk road"
August 17-21, 2016
Koc University Campus. Istanbul/ TURKEY
"Neurooncology"

Dear Colleagues,

It is our pleasure and honor to announce you that the SeENS International Neurosurgery Course **"The Silk Road of Neurosurgery"**, *a new and innovative event in basic neurosurgical education, will be starting soon.*

The Silk Road of Neurosurgery has specifically designed by The South East European Neurosurgical Society (SeENS) with the support of education experts in the field. It consists of four annual courses of 4 days each, covering all aspects of the Neurosurgery. The Course will be held in 4 different countries as follows; Neuro-oncology **(Istanbul-Turkey, 2016),** *Neurotrauma/Functional* **(Zagreb-Croatia, 2017)**, *Neurovascular* **(Cluj-Napoca-Romania, 2018)** *and Spine/Peripheral Nerves* **(Varna-Bulgaria, 2019).** *Also there will be an interim meeting in Astana, Kazakhstan.*

The maximum number of attendees per course will be only 100. For each course, 50 qualifie dattendees will receive complimentary accomodation, attendance to all sessions and social events. To qualify as a hosted attendee, scholarship application is essential which will be opened soon on our website.

We believe the participants will have a unique opportunity not only for scientific achievements, but also enhanced cooperation and friendship.

We look forward to seeing you among us in this unique event in Istanbul.

Prof. Krešimir Rotim, MD, PhD.
President of SeENS

Prof. Ihsan Solaroglu, MD, PhD.
*President of the
SeENS International
Neurosurgery Course*
